

**Endless flexibility.**

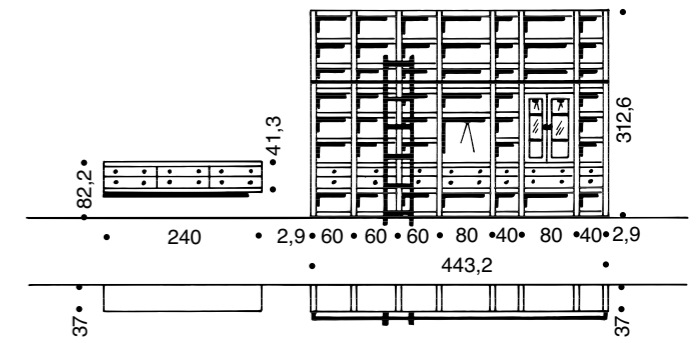

A shelving solution needs to be flexible. With SPECTRUM, you can decide how high it should be, how many compartments it should have and whether and where you would

like to fit drawers or doors. SPECTRUM does credit to its name by being able to fulfil each and every requirement.

Man is our measure of all things!

## SPECTRUM compact

**hülsta** 

**Versatile.** The TV/HiFi panel can be fitted where required, put on a plinth shelf or modular unit, or placed between cupboards, shelves/glass cabinets.

**Swivel-mounted.** Matching the SPECTRUM TV/HiFi panels, the TV swivel-mounted unit is available in 2 depths for flatscreens and deeper TVs. The TV unit can be easily positioned to suit individual requirements.

**Pull-out compartment.** The 37 cm deep 4 Raster high CD/DVD archive provides ample space for 130 CDs and 36 DVDs, 208 CDs or for 52 CDs and 72 DVDs depending on how they are divided up.

**Modular.** Simply use any size SPECTRUM modular units with side panels, stack on top of or next to one another. Whether vertical or horizontal, open or closed, free-standing or suspended units – everything fits.
